 **ecodeco**
the green wallpaper

 ECOLOGICAL

 PVC-FREE

 MIGRATION-FREE

Meet a new and unique product in the wallpaper industry – Ecodeco™.
It provides an innovative green alternative for the production of your favorite wallpaper in an environmentally friendly way.

MIGRATION-FREE		Ecodeco wall coverings have similar appearance and quality as PVC wall coverings, but without plasticiser odour.
CLEAN PRODUCTION		During production with Ecodeco materials 0 % emission occurs - no need for fume collection and incineration, odour-less in production.
PVC-FREE		
HEALTHY		Ecodeco wall coverings have absolutely no odour, no volatile chemicals migrate to in-room air.
ECOLOGICAL		Contains no harmful components and eco-friendly.
PRACTICAL		Ecodeco wall coverings have the same properties as PVC in terms of wear resistance, washability and appearance.
SUSTAINABLE & RECYCABLE		After end of wall coverings life cycle, energy can be easily recovered by incineration, or by re-processing.
